

Flexigrap

THE FIRST AND ONLY ECOLOGICAL
SUPERANCHORING PRIMER

OIKOS

the ecological decorative paint

FLEXIGRAP PROVIDES A FIRM GRIP WHERE OTHERS DON'T SUCCEED.

Flexigrap is the incomparable super primer, as it combines **maximum performance with an unequalled ecological choice**. It is the first and only ecological super anchoring primer that **adheres to any surface** (even the most difficult ones) **reducing all harmful emissions** (low VOC) to a minimum.

WITH FLEXIGRAP CHANGE YOUR HOME WITHOUT CHANGING HOME.

It's best to renew and not discard! You can save by using Flexigrap again and again. It is the **easiest, quickest and most convenient solution for changing look even on difficult surfaces** such as ceramic, plastic, glass and for obtaining the "rough wall effect" over plasterboard. It is like living in a new house while staying in the one you've got!

THANKS TO FLEXIGRAP THE PLEASURE OF REDECORATING COMBINED WITH SAVING.

Do you know that pleasant feeling of something done perfectly while saving money at the same time? With Flexigrap **you can renew home surfaces perfectly, easily and rapidly without spending too much pointlessly**. So, totally worthwhile. Better than this...

FLEXIGRAP: IT PERFECTLY COMBINES **ONE ADVANTAGE AFTER ANOTHER.**

Super**anchoring primer**

Totally **ecological**

Super**adhesive**

A **new life** for **any surface**

Easy to **apply**

Evens out surfaces

Flexible

Plastered or **smooth** wall effect

Ideal base coat for **covering cracks**

Two versions: **Smooth** or **Grain 03**

Ideal to use again, **allowing savings**

A CHOICE THAT COMBINES WELL-BEING FOR YOU AND FOR THE ENVIRONMENT.

Flexigrap is the first **100% ecological super anchoring primer**: a choice that is beneficial to you and the environment. It is water-based and **means you do not breathe in harmful substances**, it leaves no polluting waste or substances in the environment and **observes the strictest regulations**. Without forgetting that reuse is the most ecological choice there is...

IT ANCHORS ONTO EVERY SURFACE, AND WITHSTANDS ANY COMPARISON.

Flexigrap is designed to never disappoint, especially in really tough conditions, where another primer might give you problems. It is tested to adhere **perfectly to any surface and allow you to renew any area you want to**. Thus, you reuse and save wherever you want.

ceramic

pvc plastic

glass brick

stone

plasterboard

**THERE IS NO COMPARISON WITH FLEXIGRAP.
WE'LL PROVE IT TO YOU.**
