## REMOVE EVERY STAIN, WIPE OUT EVERY HITCH.

Even walls know it, if you are looking for a totally ecological wall enamel that does not fear any stains, choose Ultrasaten. Its formulation makes it resistant to every daily inconvenience: it is ultra stain-resistant, scratch-resistant, highly resistant to abrasion and extremely washable. Those who try it, they approve it.

# IRRESISTIBLE BECAUSE IT RESISTS EVERY STAIN.

Difficult to find fault with Ultrasaten. Its formulation makes it resistant to any stain: splashes of drinks, coffee, sauces, fruit juices, mud but also drawings on the walls ... nothing will leave a trace. How can you resist an ultra stain-resistant wall enamel like Ultrasaten?

## **ONE HAND TO WELL-BEING, ONE HAND TO THE ENVIRONMENT.**

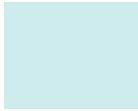

Painting a wall can become a gesture of great value. With over 3.000 totally ecological colors, Ultrasaten allows you to live in healthy environments because it minimizes any harmful emissions (very low VOC). But the even more interesting news is that it does not ask you to give up anything because, while it gives you total freedom to breathe clean air, sure not to pollute with toxic paints, it gives you the opportunity to choose from infinite chromatic variations to furnish every surface exactly as you dreamed it.

# COLORS BORN TO LET YOU BREATHE. AND INSPIRE.

Thanks to its totally ecological components without any harmful or toxic substance, Ultrasaten is not only the best when it comes to breathing. It's the best even when it comes to inspiring. Here is a selection of 192 colors that you can obtain: all available in glossy, satin and matt versions.

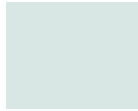

The textures and the colors illustrated are the result of printing processes and therefore, before applying on walls, it is advisable to carry out a sample to check the actual effect.

# TESTED AGAINST EVERY STAIN, IN EVERY ENVIRONMENT.

The areas in which Ultrasaten is ideal are many, almost as many as its color formulations. It gives its best in places where continuous cleaning and hygiene are essential but also when stains and usury are on daily basis.

**HOME ENVIRONMENTS**

**SPA**

**TRAINING CENTRES**

Unbeatable in schools, hospitals, offices, places in contact with food (such as kitchens, canteens, bars and restaurants). Ultrasaten proves to be the most creative and ecological choice even in private homes: especially in the kitchen, playroom, children's room .
